Classification services for this tournaments will be the following:

New players admitted (classes 1 to 10)	24
Players for review admitted (classes 1 to 10)	6
Classification for intellectual impairment admitted (class 11)	6

Admission of players for classification or review will be done on a first come first served basis.

National Association must read the new classification procedure at :

<http://www.ipttc.org/classification/documents.htm>

One of the most important changes is that there is no automatic re-evaluation request from players. In the past, any player who asked for re-evaluation was accepted to be reviewed. Now, there are 2 possibilities for this to happen

- If the athlete's impairment has dramatically changed due to a progressive health condition or an accident, National Association (NA) should think about requesting a Medical Review.
- If the athlete's impairment hasn't dramatically changed and their opinion is that his or her class was always wrong, then, according to rule 23.1.2, your National Association should make a **documented request to ITTF-PTT**. Please, be aware that the assessment of the validity of the request is at the sole discretion of ITTF-PTT.

12.1 Requirements for classification

ITTF-PTT classification rules state that Athlete Evaluation will take place during international competitions. All athletes to be classified internationally in 2019 need to fill in the following documents:

- [Consent Form](#) (to be read and signed by Athlete. If the Athlete is under 18 or has an Intellectual Impairment, an additional signature by coach or guardian is required)
- [Medical Diagnostics Form](#) (to be filled, dated and signed by a certified health professional)

These are the steps to be followed by a NA (National Association) so that an athlete will be included in the list of athletes to be classified in a tournament.

1. Once the NA has sent the first entry for a player in an international tournament, scanned copies of both documents mentioned above have to be sent through this online form <https://paratabletnnis.typeform.com/to/Ytyf4A> (no later than one month before the beginning of the competition).
2. Athlete will give the original signed documents to the chief classifier at the beginning of the Athlete Evaluation process that takes place 2 or 3 days before the beginning of the competition.
3. If the Athlete has any additional medical documents available that could help classifiers to understand better the nature of the impairments, he or she will show that medical information to classification panel during the Athlete Evaluation process.

The needed forms and complete information about classification can be found at <http://www.ipttc.org/classification/documents.htm>

13. PARTICIPATION QUOTAS:

There is a limit in the maximum number of players per class per gender who can participate from each country:

Tournament factor	Host country	Other countries
20	6	6
40	6	4

A player may only play in the class indicated on his or her international classification card unless, due to the low number of players, his or her class is combined with the next class or classes. Then they may play in the next higher-class event.

The minimum entry for a singles class to be played is 4 players.

All other persons wishing to accompany a team (i.e. who are not members of the team) are subject to special charges and should contact the organizers for further information. These packages are limited and subject to availability of places in the official hotels. Priority will be given to the Official Party of all the delegations.

For new players participating for the first time in a Para TT event, they MUST send to ITTF one copy of a valid passport (see email address of ITTF entries manager below).
