National Associations must read the new classification procedure at :

<http://www.ipttc.org/classification/documents.htm>

### 12.1 Requirements for classification

ITTF Para TT classification rules state that Athlete Evaluation will take place during international competitions. All athletes to be classified internationally in 2019 need to fill in the following documents:

- [Consent Form](#) (to be read and signed by Athlete. If the Athlete is under 18 or has an Intellectual Impairment, an additional signature by coach or guardian is required)

- [Medical Diagnostics Form](#) (to be filled, dated and signed by a certified health professional)

These are the steps to be followed by an NA (National Association) so that an athlete will be included in the list of athletes to be classified in a tournament.

1. Once the NA has sent the first entry for a player in an international tournament, scanned copies of both documents mentioned above have to be sent through this online form <https://paratabletennis.typeform.com/to/g4HyKP> (no later than one month before the beginning of the competition).
2. The athlete will give the original signed documents to the chief classifier at the beginning of the Athlete Evaluation process that takes place 2 or 3 days before the beginning of the competition.
3. If the Athlete has any additional medical documents available that could help classifiers to understand better the nature of the impairments, he or she will show that medical information to the classification panel during the Athlete Evaluation process.

The needed forms and complete information about classification can be found at <http://www.ipttc.org/classification/documents.htm>

### 13. PARTICIPATION QUOTAS:

There is a limit in the maximum number of players per class per gender who can participate from each country:

Tournament factor	Host country	Other countries
20	6	6
40	6	4
50	3	3

A player may only play in the class indicated on his or her international classification card unless, due to the low number of players, his or her class is combined with the next class or classes. Then they may play in the next higher-class event. The minimum entry for a singles class to be played is 4 players.

National Associations (NA) are invited to request entries for as many players as they wish but, in order to facilitate the participation of all countries, the organisation will only ensure a maximum of 12 players per NA. The host country is entitled to enter 24 players. Once the first entry deadline is over, the remaining slots (if available) will be offered to the countries which requested a number above the maximum.

Any other persons wishing to accompany a team are subject to special charges and should contact the organizers for further information. These packages are limited, and priority will be given to the Official Party of all the delegations.

### 14. ENTRY PROCESS:

Only entries submitted by or endorsed by the national association will be accepted (National Paralympic Committees are advised to contact the national table tennis association urgently to

confirm their authorization). For new players participating for the first time in a Para TT event, the national association MUST send to ITTF one copy of a valid passport (see the email address of ITTF entries manager below).

Second entry (by name)	03/01/2020

LOC is entitled not to provide transportation service from the airport or railway station to any national association that does not provide the travelling details before the deadline. If that is the case, no refund will be done.

**General:** The numbers of groups will be decided by the CM and the referee in cooperation with the organizing committee. If the number of groups in an event is decided not to be a multiple of 2 (e.g. 2, 4 or 8, etc.), winners from the groups with the highest ranked seeded players shall have byes in the first round of the second stage, in ranking order. All matches will be played to the best of 5 games. There is no playoff for bronze medals. If there are 5 players/teams in an event, only one bronze medal awarded. If there are 4 players/teams in an event, no bronze medal is awarded. If there are 3 players/teams in an event no medals are awarded.
